

# Electrical Actuators 4 Ton

## Designed for tough conditions

**Type: IT 4000 R**

### Features:

- Very strong, Force 40kN, (4 Ton)
- Speed 10 mm/s
- 24Vdc
- Watertight
- Structural strength
- Stainless steel 316
- Environmentally friendly
- No hydraulic oil
- Self lock in any position
- Easy installation
- Available in different stroke
- Patent Pending

### Options:

- Different Force
- Different Speed
- Stroke: 50-1000 mm
- Encoder
- Cable Length
- Adjustable limit switch inside

**24 Vdc**  
**Stainless Steel**  
**Watertight**
