

# Electrical Actuators 0,8 Ton

Designed for tough conditions

Type: IT 800 R

24 Vdc  
Stainless Steel  
Watertight

**Options:**

- Different Force
- Different Speed
- Stroke: 50-1000 mm
- Encoder
- Cable Length

**Features:**

- Very strong,
- Force 8kN, (0,8 Ton)
- Speed 10 mm/s
- 24Vdc
- Watertight
- Structural strength
- Stainless steel 316
- Environmentally friendly
- No hydraulic oil
- Self lock in any position
- Easy installation
- Available in different stroke
- Patent Pending
